

# Ethics for Lunch

## Sowing the SEED for Supportive Decision Making: A Four-Step Model

**Monday, January 15, 2018**

**12:00 – 1:00 pm**

**St. Paul's Hospital, Dining Room 1&2,  
Level 4 Providence**

**Presenter: Anita Ho, PhD, MPH**  
**Corporate Director (Interim), Ethics Services, PHC**

This session will present a four-step person-centred supportive decision-making framework. Funded by the Canadian Institutes of Health Research, the SEED model was designed based on in-depth interviews and focus groups with healthcare providers, patients, and family decision makers of diverse ethnic and linguistic backgrounds in Vancouver and Toronto.

**Teleconferencing:** 604-681-0455, Access Code 7996443#

**\*\* Note:** We will put all incoming calls on mute while the speaker is presenting and then unmute to open for questions \*\*

**Light refreshments provided**

**All are welcome ~ No registration required**
