FAMILY PRACTICE – ALDER NEUROPSYCHIATRY UNIT

Providence Health Care (PHC), a leading, faith-based health organization encompassing six acute residential and rehabilitation sites in Vancouver, BC, invites applications for the position of a Family Practitioner at Alder.

This position is a supportive role to the Neuropsychiatrist.

Duties include:

1. Initial admission history and physical examination for patients admitted for care at Alder

2. Monitoring and treating chronic medical conditions for patients

3. Assessment and treatment of acute medical conditions that arise while patients are in Alder

4. Participation in multidisciplinary team meetings / rounds / care conferences

5. Provide after-hours medical coverage. Weekday call is provided by the Alder Family Practitioner, and weekend call is part of the residential care call group. The Alder Family Practitioner is expected to cover the residential care facilities as well while on weekend call (1 in 16).

6. Discharge summaries as necessary

In accordance with Canadian employment and immigration requirements, preference will be given to citizens and permanent residents of Canada. PHC hires on the bases of merit and is committed to employment equity. For further information, please go to http://www.healthmatchbc.org/ to view the full advertisement.

Qualified applicants can e-mail a letter of application, current CV, and the names of three (3) referees by December 1st, 2014 to Jennifer Chow, Executive Assistant to Dr. Bill MacEwan, Head, Department of Psychiatry, PHC. jchow3@providencehealth.bc.ca.
