PATIENT INFORMATION

- You must phone the Pacific Lung Clinic to book your appointment.
Call 604-806-8818 extension 3
- Remember to bring your BC Services Card (Care Card) and a list of all your current medications to your appointment.
- If you are unable to attend your scheduled appointment, please call the clinic as early as possible to reschedule

The Pacific Lung Clinic is located within St. Paul's Hospital on 8B in the Providence Building. It is easiest to access the clinic via the Thurlow Street entrance on the northwest corner of the hospital. Enter the hospital and take the tower elevators up to the 8th floor.

Since St. Paul's is a teaching hospital, a fellow, resident or medical student may be involved in your visit.

If you have any questions or concerns, please contact the clinic at 604-806-8818.
